1st Grade Supply List
2007- 2008

Dear Parents,

Thank you for getting a jumpstart on the upcoming school year! As you begin to gather these supplies for your child, it is requested that Crayola, Kodak and Fiskars be used. These brands usually last longer, have richer colors, better quality and usually do not break the first time they are used.

Please resist the temptation to buy fancy items as these tend to become toys in the classroom. Usually, the "less is more" philosophy works best.

Your cooperation is greatly appreciated.

Sincerely,
Mrs. Felderman
