- \* Red pens for correcting
- \* Pencils, #2
- \* Pencil erasers
- \* 2 personal pencil sharpeners
- \* Highlighters (package of multi colored)

- \* 1 package of 24 colored pencils (geography)
- \* The New American Bible (may be purchased through school)

7<sup>th</sup> Grade Reading List  
2007-2008

## **Students,**

Summer is a great time to read books for enjoyment! This summer all middle school students will be required to read two books. You must read the required book and then choose one additional book to read for fun. The “fun” book must be at your reading level from the 2006-2007 school year. It cannot be a book that you have previously read.

There are no projects this summer. You may, however, be tested on the required book. As you read you may wish to take notes or keep a reading journal. If the book is yours, you may want to highlight important or interesting parts. Have a great summer and keep reading.

## **REQUIRED FOR ALL 7<sup>TH</sup> GRADERS:**

**Gathering Blue** by *Lois Lowry*

## **Math Skills**

In addition to your summer reading, you are required to complete the 6<sup>th</sup> Grade Math Review book, ***Summer Math, Skills Sharpener***. The review may be worked on with your parents. The book will be turned in on the first day of school and you will receive a grade for completing the book.

Have a great summer and see you on Passport Day, August 14<sup>th</sup>.
