Our Lady of Lourdes School Board

Constitution and By-Laws

Preamble

The Catholic School is an expression of the educational mission of the parish with which it is associated and of the diocese. Therefore, the Pastor is responsible to the bishop for the administration of the total parish, including the parish school. The Principal functions as the chief administrator of the school and is a member of the parish staff. Regular and open communication between the Pastor and the Principal is essential.

Just as the Pastoral council serves the Pastor on behalf of the total parish community, so the parish school board serves with the Principal and the Pastor to for the good of the school community. Because of the many demands made on Catholic school administrators, assistance is needed from a group of people who are committed to the Catholic School and are willing for the good of the school and the parish

Our Lady of Lourdes School, an integral part of Our Lady of Lourdes Parish, seeks to combine its educational mission with them. Our Lady of Lourdes School exists as a ministry of the Catholic Church to proclaim the Gospel message. Recognizing that each person is a unique creation of God, we endeavor to provide a strong spiritual, academic, and emotional foundation enabling students to realize their full potential.

ARTICLE I – NAME

The name of this body shall be Our Lady of Lourdes School Board.

ARTICLE II- PURPOSE AND FUNCTIONS

The board is established by the Pastor in accord with diocesan policy, to assist him and the Principal in the governance of the parish school. When the board meets as Pastor, Principal and members and agrees on policy matter, the decision is effective and binding. The board is consultative in the following sense: the member cannot act apart from the Pastor or Principal, and cannot make decisions binding on the parish school without involvement of the Principal and approval of the Pastor.

Consultation also means that decisions will not be made in major matters until and unless the school board has been consulted. The areas in which the board has responsibility and will exercise limited jurisdiction are:

- A. Strategic and general planning

- B. Policy development and formulation
- C. Finance
- D. Development and public relations
- E. Assign a member to be part of the search committee for selection of a new principal
- F. Curriculum rotation briefing

The board will deal with each situation on an individual basis and determine appropriate actions.

Candidates and school board members will be re-evaluated by the Pastor and Principal based on their individual contributions, their participation in meetings and initiatives,

their ability to work with other board members and their success in meeting the goals of the Pastor and Principal. Board Members who are designated by the Pastor and Principal as not attending to these ideals will not be appointed to serve a new term as member of the school board.

The school board will give the parish and school community an opportunity to voice their opinions or concerns in regards to the amendment prior to calling for a vote.
